Objective

Results-oriented and skilled Frontend Developer with a year of hands-on experience in creating dynamic and responsive web applications. Good at translating design concepts into efficient and visually appealing user interfaces. Proficient in HTML, CSS, and JavaScript, with a strong understanding of modern frontend frameworks such as React.js.

Experience

Feb 2023 – Jun 2024
Front-end Developer • Smart Solar Nepal Corporation Pvt. Ltd.

- Worked on various web development projects, contributing to the design and implementation of user interfaces.
- Developed and maintained front-end components, ensuring responsiveness and optimal user experience.
- Collaborated with the development team to integrate back-end functionalities into the front-end.
- Utilized technologies such as HTML, CSS, JavaScript, React.js and Tailwind CSS to create interactive and visually appealing websites.
- Overcame challenges and ensured the successful delivery of the project.

Sep 2022 – Jan 2023
IT Engineer • Waiba Infratech Pvt. Ltd.

- Administrated office server management to ensure smooth operation.
- Diagnosed and resolved various technical issues.
- Contributed to the development and customization of www.waibainfratech.com website within WordPress Framework.

Sep 2021- Dec 2021
Technical Content Writer • Intern • Sastodeal Pvt. Ltd.

- Conducted research on products for technical content creation.
- Compiled and organized data in MS Excel with HTML formatting.
- Utilized Magento for attribute feeding on the website, involving preparation of product-specific files. Explored and gained insights into the application's features and functionality.
- Enhanced proficiency in data validation, emphasizing accuracy during file preparation.

Education
